WELCOME TO THE PANTHERS AFTER SCHOOL PROGRAM!

The After School Activities (A.S.A.) program is designed to develop and complement EARJ's academic program, for students in grades N-12, Monday through Friday, from 3:40 to 4:40 p.m.

Taught by a mix of EARJ faculty and outside specialists, our After School program offers students the opportunity to take a deep dive into a specialized area of study, explore big ideas and new skills.

We offer a wide range of activities offered every semester, which includes soccer, basketball, volleyball, gymnastics, cheerleading, jiu-jitsu, guitar, computer programming, Lego robotics, cooking, band, drama, jazz, ballet, rock climbing, Capoeira, art, crafts, entrepreneurship, literacy programs for kids, and much more!

We look forward to welcoming your child to our After School program.

Sincerely,

Claudia Araya | Athletic and Activities Director

STRATEGY BOARD GAMES

Playing games that require strategic thinking (such as chess, ludo, checkers, dominoes, etc.) can help children in grades 1st to 5th understand abstract concepts such as planning, analysis, and strategy. Not only do they learn how to create and execute plans, but they also develop quick thinking and resource management skills. Winning these games gives them a sense of pride and accomplishment. In a safe and supportive environment, children can practice these skills and apply them to real-life situations, making them a valuable tool for their growth and learning. This after-school program is both enjoyable and educational, providing kids with a chance to engage in mental gymnastics and improve their analytical and observational skills, which are helpful in many areas of life. It also boosts their concentration and teaches them the importance of good sportsmanship. Additionally, it emphasizes the value of behavior management, encouraging children to make good choices and consider all possibilities.

It's an opportunity to disconnect from technology and have fun while developing essential life skills!

WRESTLING

The objective is common to the three styles, to immobilize the opponent with their back to the ground, the so-called pin. If neither of the two athletes can execute the move that ends the fight, the decision will be made according to the points accumulated throughout the two rounds of three minutes. In the three styles, it is not allowed to perform any kind of movement against the opponent's joints that causes damage to the physical integrity.
